NO SHOW is Doug's signature piece. A performance has been scheduled but the actor fails to show - or does he? What might happen when a lone spectator unwittingly finds himself on stage and explores the props and masks left there? Take an empty stage with a captive audience and introduce the mask/mime/circus antics of a passing fool and you have an hour of uproarious entertainment.  
Location: Christian Life Center

\*\*NOTE: snacks are available in the Christian Life Center during all break times – drop by and see the college displays as you enjoy some refreshments. College representatives will be available to speak with you about their theatre programs.
